

Mt. Fortress 300

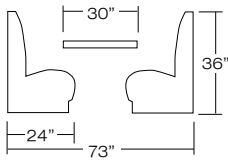

Mt. Fortress 300
(Shown with back style 00 plain back)

The Mt. Fortress is shown here with a sloped seat. It comes standard with a crumb rail for easy clean up and the same great comfort and features that you will find in all J.H. Carr products.

Mt. Carter 400

Mt. Carter 400
(Shown with back style 00 plain back)
*also available with no back pad

The Mt. Carter shows off an elegant beech frame. This booth is finished on both ends and offers an optional finished outside back. As always our booths have removable seats and backs with an array of designs to meet any need.
